January 2022

From the Superintendent

Parents, I'd like to wish you and your families the very best in 2022. I also want to thank all of you for your support and follow-thru regarding your child's education. We know the two most critical factors for student success are regular attendance and the parents' level of involvement. We are confident that all students will be successful if we work together as a team, build their self-esteem, and instill the ARRGH virtues that drive our purpose to produce Academic Achievers, Clear Communicators, Responsible Citizens, and Quality Producers.

After school tutoring/ enrichment continues every other Wednesday from 3:45-4:45 pm. This will consist of a 15 minute break with snacks, 45 minutes of intense intervention or enrichment, and transportation.

Parents, feel free to join us for our kick-off on January 27, 2022 for our "Battle of the Books" and Math-a-thon Fundraiser beginning 3:00 pm.

Dr. Jim R. Brown, Ed.D.
Principal

Decisions are made with the culmination of efforts by C-8 transportation, Highway District, administrative team, and surrounding superintendents. Decisions are made by 6:15 am.

From the Principal

Christmas is over which means that we are on our downward slide. There are a lot of good things coming up at the high school:
Science Fair
Plant Sale
and H-Day to name a few. We are working toward creating a memorial for our weight room for Hannah Bates, whose parents provided some of the equipment in the weight room as a way to give back to the school. She was a warrior, who competed to the very end.
I also want to give a shout out to our teachers for all the invested time they have put in our students and to our parents for their on-going support and involvement. Thank you for your support and feel free to visit the administrative team and staff anytime.

Mr. Wadsworth, M.Ed.
Principal
