From the HJH/HHS Principal

Winter sports have completed and I hope one of these days it will get warm again. I first want to give a shout out to all of our junior high basketball coaches and our high school coaches for all of their time and energy this season. I recognized the individual growth of all those who participated. I want to give another huge shout-out to go to our 3-6th grade coaches. Thank you for helping build our basketball programs at HHS.

As we near the end of our 3rd quarter, I am very proud of our students. Many of them are making extended efforts to create their own academic successes, while others are staying consistent in their academic quests. We have 23 students taking 33 dual credit courses through CSI. One of our students made the Dean's List through CSI. What an effort. Students, continue to keep yourselves focused and be in control of our careers. We as a faculty, appreciate all of your hard work. I hope that everyone has a fun and safe Spring Break.
