November 2021

From the Superintendent

Nine weeks of instruction and P/T conferences have come to an end. This is the best way to inform parents of the progress and commendable work the students are doing along with providing action plans for those who will benefit from additional support. Parents, please be advised we are continuing to offer an after school tutoring/enrichment program every other Wednesday from 3:45-4:45 pm. This will include a fifteen minute break with snacks, 45 minutes of intense intervention or enrichment, and transportation. Parents, thanks again for your support and trust in the Hagerman Joint School District. We are confident that all students will be successful if we work together as a team, build their self-esteem, and instill the ARRGH virtues that drive our purpose to produce Academic Achievers, Clear Communicators, Responsible Citizens, and Quality Producers.

From the Principal

Looking through old notes I came across Jordan Byrd in my old baseball line up. Jordan was my catcher in baseball and was killed by a sniper while trying to save a member of his troop. He was 19. November is a somber month for us all. We take the time to remember those who serve and those who served. Our nation was built on heroes who sacrificed their lives to give us our freedom. There are so many Veterans around us in Hagerman that we need to continually recognize. So many feel that they served our nation in vain and that they are forgotten. Take the Hagerman HS challenge to thank and remember our Veteran's this month.

The Elementary Librarian Tess Jones applied for and received Libraries Keep Students Learning and Adults Earning ARPA Grant for \$27,700. These funds will be used in the Elementary and a portion in the High School.
