Goals

Increase student proficiency in math 5 percentage points on ISAT

Increase SAT average math score 10%

Steps

Create Math Lab for those students that are basic and below basic in Algebra I and Geometry classes

Practice sample ISAT and SAT math Problems in Advisory and Math Lab classes

Provide Professional Development to Math and Science teachers

Three teachers have traveled to Canyon Ridge HS to observe Collaboration teaching pedagogy in math.

Elementary Building Goals 2022-23

Goal #1: 70% of our students in grades 4-6 will be proficient or display one year of growth according to the i-station results by April of 2023 in both Reading and Math.

Goal #2: 72% of our students in grades K-3 will be proficient or display one year of growth according to the i-station results by April of 2023 in both Reading and Math.

Goal #3: All staff are committed to implementing ITBS as a school wide effort by attending and participating in teaming trainings, monthly professional development and holding one another accountable.

- Teachers will reinforce positive behaviors with “ARRGH” stamps/ticket weekly.
- Teachers will model each virtue of “ARRGH.”

Goal #4: All Hagerman Elementary staff members will implement “GRIT.” Each grade level will implement an aspect of “GRIT” in each of their classrooms including:

- Kdg. – Learning binder organization
-learning how to organize desk and work space with materials needed
- 1st – Daily binder check
- 2nd – Daily binder/agenda check
-writing three agenda items that are done daily
-learning note taking strategies in math
- 3rd – Daily binder/agenda checks.
-WICOR is implemented daily across curriculum
- 4th – Daily binder/agenda checks.
-WICOR is implemented daily across the curriculum
-Star note taking is utilized in science journals.
-Acronyms are discussed to understand the AVID program.
- 5th – Daily binder/agenda checks.
