### March 2023

#### From the Superintendent

Winter sports are approaching the end of the season with the State Boys Basketball championships being held March 4 at the Nampa Center. This is indicative that the 3rd quarter is almost behind us, ending on March 9, 2023. P/T conferences will take place the following week.

I also want to thank you for the support and follow-thru regarding your child's education, the Pirate Way. This consists of instilling our ARRGH virtues daily.

- Go Pirates! ARRGH

Dr. Jim R. Brown, Ed.D.

#### Security

Parents/Guardians, Please know we are moving forward with Phase II of our security system totaling \$4,209.21. This will increase our visibility, clean up wiring, remove the current exit motion detectors and replace them with touch sense bars. This will exponentially increase the overall security of the buildings. Students safety is a top priority!

#### Athletics

Our Winter sports programs have concluded with many accomplishments this season. Our JH Girls and Boys Basketball teams went through their season with only one defeat each. Our JV Girls Basketball team won the District JV Championship. Our Varsity Girls Basketball team won the State Academic Championship. Cheerleaders made it to state championships along with one of our high school wrestlers. We are extremely proud of all our Winter sport athletes and their accomplishments. We are looking forward to our Spring sport programs of Track, Junior High Soccer, and Golf.
