From the Principal

Fall is a fantastic time of year. Sports are in full swing and there are so many competitions to watch. I hope you have had a chance to come celebrate our sports teams this season. If not there are still a few weeks to do so. This season is also time for reflection on how well our students are doing academically. Please recognize your child's successes in academics by attending the Parent Teacher Conferences on Wednesday October 18th. This is a great way to get to know the teachers with whom your student interacts on a daily basis. Thank you for all of your support in educating our students.
