School District No. 233

Gooding and Twin Falls Counties, Idaho

• Special meetings may be determined at a Board meeting with all members present, called by the chairman, or by any two members. If the meeting is not determined at a board meeting, the clerk must post a Meeting Notice and Agenda for a scheduled Special Meeting at the school district office and in two or more public places in the district at least 24 hours prior to the Special Meeting, unless there is an emergency. An emergency means a situation involving injury or damage to persons or property, or immediate financial loss, or the likelihood of such injury, damage, or loss—when the notice requirements of this section would make such notice impractical or increase the likelihood or severity of such injury, damage, or loss, and the reason is stated at the outset of the meeting (Idaho Code section 74-204(2)).

• Under the Open Meeting Law, (Idaho Code Section 74-204(2)) it is necessary to make a good faith effort to provide advance notification of special meetings to all news media who request such notification.

• If calling a Special Meeting for the purpose of or to include an Executive Session, there is a necessity to identify the statutory subsection and legal basis for the Executive Session.
